**FINDINGS AND PURPOSE**

**SECTION 1.3.** The General Assembly finds that State government must serve as a facilitator in assisting local governments, communities, families, workers and other individuals, and businesses in accessing federal relief and recovery funds related to the COVID-19 pandemic. The purpose of this act is to fulfill the General Assembly's constitutional duty to appropriate all funds, including federal funds appropriated or otherwise made available under the COVID-19 Recovery Legislation, and to direct the use of those funds in a manner that is consistent with the authorizing federal legislation and that responsibly provides for the public health and economic well-being of the State.

**REQUIREMENT TO MAXIMIZE USE OF FEDERAL FUNDS**

**SECTION 1.4.** The appropriations and allocations made in this act are for maximum amounts necessary to implement this act. State agencies shall maximize the use of federal funds

made available in this act wherever possible within the allowable uses prior to using other State funds.

### **CONFLICT WITH FEDERAL LAW**

**SECTION 1.5.** If an allocation made under this act is found to be disallowed by federal law, the disallowed allocation is repealed, and the Office of State Budget and Management (OSBM) shall transfer the amount of the disallowed allocation to the Coronavirus Relief Reserve established in Section 2.1 of this act. If the funds have been allocated to a nonprofit corporation, and the use of funds by the nonprofit corporation is disallowed by federal law, the nonprofit corporation shall return the amount of funds allocated to the nonprofit corporation to OSBM to transfer the funds into the Coronavirus Relief Reserve. Amounts transferred into the Coronavirus Relief Reserve pursuant to this section are receipts that do not constitute an "appropriation made by law," as that phrase is used in Section 7(1) of Article V of the North Carolina Constitution.

### **GENERAL GUIDANCE ON USE OF FUNDS**

**SECTION 1.6.** OSBM shall work with the recipient State agencies to budget receipts awarded pursuant to COVID-19 Recovery Legislation according to the program needs and within the parameters of the respective granting entities and applicable federal laws and regulations. State agencies shall not use funds received pursuant to COVID-19 Recovery Legislation for recurring purposes. Revenue replacement is not a permissible use of funds received pursuant to the CARES Act, P.L. 116-136. Depending on the nature of the award, additional State personnel may be employed on a temporary or time-limited basis.

### **REQUIRED REPORT ON USE OF FUNDS**

**SECTION 1.7.** In addition to any report required under this act or any other law, OSBM shall provide a report to the Joint Legislative Commission on Governmental Operations and the Fiscal Research Division by March 1, 2021, detailing the use of funds allocated under Section 3.3 of this act. Additionally, each State agency or department that receives federal grant funds under Section 4.1 of this act shall provide a report to the Joint Legislative Commission on Governmental Operations and the Fiscal Research Division no later than 90 days from the day the grant period ends detailing the use of funds. The report required from OSBM under this section shall include the amount of funds allocated to each State agency, State department, and nonprofit organization; how the funds were used by each State agency, State department, and nonprofit organization; and the amount of funds allocated to each State agency, State department, and nonprofit organization that remained unspent as of December 30, 2020. The report required from each State agency or department that receives federal grant funds under Section 4.1 of this act shall include the amount of funds granted, the source of the funds, how the funds were used, and the amount of funds that remained unspent at the end of the grant period.

### **AUDIT REQUIREMENT**

**SECTION 1.8.** The State Auditor shall conduct a preliminary financial audit and a final performance audit of the Coronavirus Relief Fund created by this act no later than March 1, 2021.

## **PART II. ESTABLISHMENT OF RESERVES AND FUNDS**

### **ESTABLISHMENT OF CORONAVIRUS RELIEF RESERVE**

**SECTION 2.1.** The State Controller shall establish a Coronavirus Relief Reserve (Reserve) in the General Fund to maintain federal funds received from the Coronavirus Relief Fund created under the CARES Act, P.L. 116-136, to mitigate the impact of the COVID-19

outbreak in North Carolina. The State Controller shall transfer funds to the Coronavirus Relief Fund established in Section 2.2 of this act only as needed to meet the appropriations set out in this act and only upon request of the Director of the Budget. Funds reserved in the Reserve do not constitute an "appropriation made by law," as that phrase is used in Section 7(1) of Article V of the North Carolina Constitution.

#### **ESTABLISHMENT OF CORONAVIRUS RELIEF FUND**

**SECTION 2.2.** The Coronavirus Relief Fund (Fund) is established. The purpose of the Fund is to provide necessary and appropriate relief and assistance from the effects of COVID-19, consistent with the provisions of this act and subsequent legislation addressing the effects of COVID-19. The Fund shall be maintained as a special fund and administered by OSBM to carry out the provisions of this act and subsequent acts necessitated as a result of the COVID-19 outbreak. All funds allocated from the Fund must be used for necessary expenditures incurred due to the public health emergency with respect to COVID-19. Only expenditures incurred during the period that begins on March 1, 2020, and ends on December 30, 2020, are eligible for funding from this Fund.

#### **ESTABLISHMENT OF LOCAL GOVERNMENT CORONAVIRUS RELIEF RESERVE**

**SECTION 2.3.** The State Controller shall establish a Local Government Coronavirus Relief Reserve (Local Reserve) in the General Fund to maintain certain federal funds transferred from the Reserve established in Section 2.1 of this act that are eligible to mitigate the impact of the COVID-19 outbreak in North Carolina on the revenue of local governments. The State Controller shall transfer the sum of three hundred million dollars (\$300,000,000) from the Reserve to the Local Reserve. It is the intent of the General Assembly to appropriate a sum of up to one hundred fifty million dollars (\$150,000,000) if local governments experience a revenue shortfall and the CARES Act, P.L. 116-136, is amended to allow the use of federal funds for that purpose. Funds that are reserved in the Local Reserve do not constitute an "appropriation made by law," as that phrase is used in Section 7(1) of Article V of the North Carolina Constitution.

### **PART III. TRANSFER, APPROPRIATIONS, AND ALLOCATIONS**

#### **TRANSFER OF FUNDS FROM RESERVES TO RELIEF FUND**

**SECTION 3.1.** Transfer of Funds from Reserves to Relief Fund. – The State Controller shall transfer the sum of one billion two hundred seventy-five million nine hundred eighty-eight thousand twenty-nine dollars (\$1,275,988,029) for the 2019-2020 fiscal year from the Reserve established in Section 2.1 of this act, and the sum of one hundred fifty million dollars (\$150,000,000) for the 2019-2020 fiscal year from the Local Government Coronavirus Relief Reserve established in Section 2.3 of this act, to the Fund established in Section 2.2 of this act.

The funds appropriated in this section shall not revert at the end of the 2019-2020 fiscal year but shall remain available to expend until December 30, 2020.

#### **ALLOCATION OF FUNDS APPROPRIATED TO OSBM**

**SECTION 3.3.** Allocations of Funds. – OSBM shall allocate the funds appropriated in Section 3.2 of this act as follows:

- (1) \$50,000,000 to OSBM to allocate to the entities listed in this subdivision to be used for (i) the purchase of supplies and equipment necessary for life safety, health, and sanitation, such as ventilators, touch-free thermometers, gowns, disinfectant, and sanitizing wipes, and (ii) the purchase of personal protective equipment that meets the federal standards and guidelines from the Centers for Disease Control and Prevention, such as surgical and respiratory masks and gloves, as follows:

- (2) \$150,000,000 to OSBM for allocation to counties ineligible to receive direct funding from the federal Coronavirus Relief Fund established by the Coronavirus Aid, Relief, and Economic Security (CARES) Act, P.L. 116-136. OSBM shall allocate these funds by providing each county eligible to receive funding under this section a base allocation of two hundred fifty thousand dollars (\$250,000), with the remaining funds distributed to eligible counties on a per capita basis using the United States Census Bureau's Vintage 2019 county population totals. A county may allocate a portion of these funds for use by municipalities within the county, but only if the transfer qualifies as a necessary expenditure incurred due to the public health emergency and meets the other criteria of section 601(d) of the Social Security Act. Such funds are subject to recoupment by the United States Treasury Inspector General if they have not been used in a manner consistent with section 601(d) of the Social Security Act. Further, the funds may only be used to support expenditures by counties and municipalities that are consistent with the most recently published United States Treasury Department guidance for the federal Coronavirus Relief Fund. Counties and municipalities are liable to the State for any misuse or mishandling of these funds, and subject to clawback and other appropriate measures, including the reduction or elimination of other State funds. Any local government officer, official, or employee who violates this section shall be subject to a civil action by the State and held personally liable to reimburse the State. Beginning October 1, 2020, and then quarterly thereafter, each county and municipality receiving funds under this subdivision shall report to OSBM on the use of allocated funds until all funds are expended and accounted for.
- (3) \$70,000,000 to OSBM to be used for the continuity of operation needs across State government. As referenced in Section 2.2 of this act, expenditures incurred during the period that begins on March 1, 2020, and ends on December 30, 2020, are eligible for funding under this subdivision. Expenditures eligible under this subdivision may include, but are not limited to, covering overtime costs at mental health institutions, prisons, community corrections, juvenile facilities, and veterans homes; covering costs of pay

Provided that the United States Department of Labor does not approve additional funding for the Customer Call Center operated by the Division of Employment Security, funds may also be used to hire additional time-limited staff in the Customer Call Center to meet the unprecedented demand for services. Up to two million dollars (\$2,000,000) of the funds allocated in this subdivision may be used to establish a temporary North Carolina Pandemic Recovery Office in accordance with Section 4.3 of this act. Up to five hundred thousand dollars (\$500,000) of the funds allocated in this subdivision may be further allocated to the Office of the State Auditor to perform the requirements set forth in Section 1.8 of this act. OSBM shall provide a report to the Joint Legislative Commission on Governmental Operations no later than August 15, 2020, detailing the allocation of funds under this subdivision. The report shall include which State agencies received allocations, the amounts disbursed, the amount spent in the 2019-2020 fiscal year, and for what purposes the funds were used by fund code and line-item detail.

- (4) \$300,000,000 to OSBM to allocate to the General Maintenance Reserve in the Highway Fund for the Department of Transportation; provided that OSBM shall not transfer these allocated funds to the Department for use until the guidelines in "Coronavirus Relief Fund Guidance for State, Territorial, Local, and Tribal Governments," dated April 22, 2020, are revised by the United States Department of the Treasury to authorize the use of funds from the Coronavirus Relief Fund for the purpose of replacing lost revenue due to the COVID-19 emergency, or a subsequent act of Congress authorizes the use of funds from the Coronavirus Relief Fund for the purpose of replacing lost revenue due to the COVID-19 emergency. 30 days prior to the transfer of funds pursuant to this subsection, OSBM shall submit a report to the Joint Legislative Commission on Governmental Operations. On or before April 1, 2021, the Department shall submit a report on the status of utilizing these funds and a revenue update to the Joint Legislative Transportation Oversight Committee (JLTOC) and the Fiscal Research Division. The Governor may not use the funds described in this subdivision to make budget adjustments under G.S. 143C-6-4 or to make reallocations under G.S. 166A-19.40(c). Notwithstanding Section 3.2 of this act, if, by June 15, 2020, the guidelines in "Coronavirus Relief Fund Guidance for State, Territorial, Local, and Tribal Governments," dated April 22, 2020, are not revised by the United States Department of the Treasury to authorize the use of funds from the Coronavirus Relief Fund for the purpose of replacing lost revenue due to the COVID-19 emergency, or a subsequent act of Congress does not authorize the use of funds from the Coronavirus Relief Fund for the purpose of replacing lost revenue due to the COVID-19 emergency, the State Controller shall transfer

- (1) Provide a prescription for opioid antagonist for each program participant who meets at least one of the following criteria:
  - a. Is a Medicaid recipient.
  - b. Has prescription drug coverage for opioid antagonist.
- (2) To the extent that units are available from those distributed by DMH/DD/SAS pursuant to subsection (a) of this section, provide at least one unit of opioid antagonist to each program participant who meets at least one of the following criteria:
  - a. Is uninsured.
  - b. Lacks prescription drug coverage for opioid antagonist.
  - c. Is receiving opioid use disorder services funded by a grant, a local management entity/managed care organization (LME/MCO), or another source of funding not associated with the federal Centers for Medicare and Medicaid Services or a commercial payor.
